Golf Carts – Limited Availability

2 RIDERS PER CART are permitted during Phase 4 of the Governor's Restore Illinois Plan. Green Meadows has a limited quantity of golf carts. Golfers booking together are expected to ride together in order to ensure enough carts are available for all tee times. Requests for individual carts will be considered only for off-peak days and times when practical.

Additional fees may apply for individual carts.

To help ensure availability, please be sure to add a "Half Cart Ride" to your reservation for each player riding in your group.

In accordance with State requirements, carts are sanitized after each use. State requirements also state "if two people who do not live in the same household share a cart, they should both wear face coverings while in the cart.
