Preview Rounds Available Now Grand Opening Season 2018

August 7, 2017- Preview Season Officially Begins

Preview season tee-times available to all golfers! During the preview season, tee-times may be reserved by the general public up to 5-days in advance. "Captains" of former Oak Meadows groups who purchased a 2014/2015 permanent tee-time will be extended a 7-day in advance booking window. Call the pro shop to book your preview round tee-time (630) 595-0071

What Is A Preview Season?

The Preserve at Oak Meadows is reopening for a partial season after 2 years of major construction and renovation. Like any living entity, a golf course continues to mature over time - and young grass grows at its own pace. During the preview season, hours of operation and the availability of play may be limited to allow young fairways, tees, and greens to fully take root.

Practice Center Open

The renovated practice area at The Preserve now features target greens and a fairway, upgraded range balls, and 2 new short game practice greens. The chipping areas by the practice tee are reserved for golfers with tee-times and customers purchasing range balls. The 2 practice putting greens west of the pro shop are available free of charge to everyone.

April 2018 - Grand Opening Season Officially Begins

2018 will be the first full-season for The Preserve, and all the finishing touches on the golf course will be in place. Regular hours of operation will resume, and programs including permanent tee-times and the DuPage Golf Junior School will return.

Summer / Fall 2018 - Potential New Clubhouse Groundbreaking

Proposed conceptual designs for a new clubhouse at The Preserve are complete, and additional planning is underway. Visit DuPageGolf.com for future updates.
