Rates will not be applied if your balance is at \$0.00
- **Early Access to Tee-Times.** Extended 10-day booking window for early access to book your ideal tee time before the general public.
- **Range and Pro Shop Discounts.** Get 15% off range tokens and in stock merchandise when you pay using your plus balance.
- **Easy Check-In.** Just like a private club, you can use your member number to pay in the pro shops. Golf fees or merchandise will simply be deducted from your Plus balance (please pay cash or credit for beverage cart or food counter purchases).
- **Guest Privileges.** If you choose to use your account balance to pay, the same preferred rates and discounts apply to your guests (up to two foursomes per day). Guests paying individually will be charged the regular rates.

How long does the program run?

You may sign up anytime, however the program runs through the end of the 2022 golf season.

What if I run out of money in my member account before the end of the season?

After initial enrollment for the season, you can re-load your Plus Member account balance in increments of \$500 or more. Plus Member benefits are suspended for accounts with a \$0 balance.

What happens if I don't use all of my Plus balance by the end of the year?

The discounts and member benefits expire at the end of the 2022 golf season. However, your Plus balance will carry over to the next season and may be used towards the next year membership or future golf purchases. A cash refund will not be issued.

Question: Do I have to use my Plus Member account for every purchase?

No... but only purchases made with your member account are eligible for Plus rates and discounts.
